

Harbor View Presbyterian Church Weekly Newsletter

Congratulations to our high school members and friends (Josie Stewart, Caroline Hays, Jacob Lannon, Jules Kucklick, Julia Wall + Tristian Linnville) on their outstanding performances and/or participation in Oliver! We're proud of you.

"God Lifts the Lowly" Advent devotionals based on Mary's Song of Praise are available to pick up in the narthex.

Donna Jackson, Editor of *Presbyterians Today* writes, "May this devotional, inspired by Mary's song, be an Advent blessing to you. May it be the reminder we all need that no matter what, God lifts us up."

There will be a meeting of the Congregation following worship on Sunday, December 2nd for the purpose of hearing and acting on a report by the Pastor Nominating Committee.

This month, HVPC is collecting gently used jackets, sweatshirts, gloves, blankets and other cold weather items for the Hispanic men staying at a camp on Johns Island. These men work on local golf courses or outside in some other capacity, so the need is great.

There is a crate in the narthex marked "Hispanic Ministries." Please bring in any men's clean, gently used jackets, sweatshirts, gloves and/or blankets, etc.

The collected items will be delivered to the camp in early December. This is one of the many ways that Harbor View Presbyterian's outreach programs help those in need. In the past our Hispanic Ministry Team has helped the local Hispanic community in many ways. After all, the spirit of giving and sharing is an important part of our Christian faith. Thank you for your participation!

2018 Giving Statements through Sun, 11/4 were mailed home on Tuesday. Please let Natalie in the church office know if there are any discrepancies in your statements. Many thanks!

The Thornwell Special Offering will be taken this Sunday. Thornwell has helped children and families across SC, GA and FL since 1875. They offer a foster care

program and other family and educational support programs. Thornwell provides safe and loving homes for children in need, offers hope for a brighter future through education and community-based programs, and encourages wholeness and healing with counseling and support.

Come ye thankful people come . . .
