

# Class of 2022

**Congratulations to our High School graduates: Anna Sofia Benson, Camilla Hays, Will Olson, Josh Wirth, and Gabi Lassiter! We'll highlight a Senior each week.**

**Will Olson** graduated from JICHHS and will be attending Trident Technical College in the fall. He is undecided in a major but is considering horticulture and would love to travel. Best of luck to you Will!

**Excited to invite and welcome everyone to worship this week as we**

celebrate and commission our Vacation Bible School team!

Commissioning is all about supporting our team and letting them know that they are sent by God to great things and that they have our love and support as they reach out to so many children and families.

The commissioning will be a part of the 9:30 service. We will invite everyone who will be actively serving on site during VBS to come to the chancel as we offer our prayers and support to you. We also invite everyone to join us in worship for this special event so that, even if we are not hands on with our children this go round, we can come together to offer our encouragement and love to those who are on this year's leadership team.

Thank you so much for your service and support! Looking forward to a great week!

**In Christ!**
