

PLANTING with PURPOSE!

Matthew 13:1-8

We have focused on The Parable of the Sower during our Stewardship season this year. The Sower scattered the seed and those seeds sprout and bloom in the world. Have you planted and tended your seeds? Have they started to grow yet?

It is our responsibility to ensure that the seeds that fall into the garden of Harbor View can grow in a fertile and enriching soil. For us to cultivate this perfect garden, we have talked about preparing and fertilizing the soil and how that relates to growth in our faith, in Worship and in Christian education. We introduced the importance of nurturing and strengthening the new sprouts that will grow in our garden and keeping the weeds at bay by taking ownership and care of all of our facilities and programs. This final week of Stewardship, we will talk about the necessity of reaching out and offering our bountiful harvest to the community by Sharing God's Love with All.

Please return your pledge for 2023 on or before 10/23/2022 by filing out your pledge card and returning it to the church (at worship or to the office) or by following the link to the church's stewardship site:
