Piecing It All Together

We have been working hard on our gym and it is looking beautiful! All of the mold is gone, it has been painted and repaired. We want to install an actual gym floor, just like the one at the James Island Rec Center, and we need the support of the community. Please share our [Facebook post](#) with your contacts so that we can raise the money for this project. We would love for you to email it out as well. We hope to complete this project in the next few weeks and open back up. Thank you for your assistance and support!

Share the hope of Jesus with a child in our community as you donate a Christmas present and personal message of love on behalf of their parent in prison.

We have 2 more local children to sponsor!

Click [here](#) to sponsor.

Each child receives a minimum of one gift valued at approximately \$25. Wrapped gifts will need to be brought to the church by **December 11th** and the distribution will take place on **December 18th**.
