And the Word
became flesh
and lived
among us...

—JOHN 1:14

Jesus came to us as a helpless baby - destined to lead us and bring joy, peace and salvation for all people. The perfect gift.
Through the Christmas Joy Offering, we reflect God's perfect gift to us in Jesus with generous support of leaders among us - past, present and future.
50% of your gifts open doors which lead to relief for church workers and their families when critical needs arise.
50% of your gifts open doors of opportunity which lead to hopeful futures for young people at Presbyterian-related schools and colleges equipping communities of color.

Piecing It All Together

We have been working hard on our gym and it is looking beautiful! All of the mold is gone, it has been painted and repaired. We want to install an actual gym floor, just like the one at the James Island Rec Center, and we need the support of the community. Please share our [Facebook post](#) with your contacts so that we can raise the money for this project. We would love for you to email it out as well. We hope to complete this project in the next few weeks and open back up.

Thank you for your assistance and support!

If you would like to give to the gym floor fund, click [here](#).

If you have any reimbursements or green slips to turn in to the church office before the end of the year, please do so before December 20th.

Janice Blum, ECEP Director, will be out December 6th - February 1st due to knee replacement surgery.

Prayers for the people:

We all need to be in prayer for our world, our country, our leaders, and our friends and neighbors. These all should be part of our daily prayers.

We will soon be revising and updating our prayer list in the newsletter. All church members who are in need of prayer will be listed. If you know someone who is not a member of our church that you would like to place on the prayer list, please let Margie know. Your name will be listed beside their name in order to be able to occasionally check on their situation. We will check on the list periodically to
