

Women's Retreat

The women that were able to attend the retreat last weekend were all so thankful of the peaceful time they spent together in such a beautiful place.

Lunch Bunch Tuesday had a great turn out and a great time!

After hearing from several congregation members about possibly having a later start time for the worship service, we would like to see what others think of this. This little survey will help us plan for the summer months. The survey will run from April 27th through May 21st. We will announce at the worship service on May 28th the results. If there is a change in time, we will start the new time on June 4th and try it for the summer. In mid August, we will have a follow up survey to see if we want to keep the time or change back to the original time. If you are unable to fill out the form electronically, please call the office 843-795-4072 for assistance. Your responses are greatly appreciated.
