

What is the greatest prize in life?

How can we work toward that prize?

What does it mean to be people/a church that *both* lives in the world *and* wants to live with God?

Well, we're going to see if we can find out some of the ways that God and people have answered these and other questions.

How? By looking at how a church and a minister worked together on this stuff a long time ago.

The Apostle Paul helped start the Church in Corinth. After he left to help start another church, Corinth ran into some problems. So, of course, Paul wrote a letter to try to help (that's his thing!). The book of 1st Corinthians is a great Biblical letter that has so much to offer to us today as Christ's church who works to live faithfully with each other and the world around it.

Sometimes things go well, other times it's a struggle.

It's a great letter that God uses to help all of us better understand how we really can know the greatest prize of life and how we can experience the joy of it.

And we get the chance to dive in and see what this is all about!

So come and join us and let's see what's going on and how we might keep our eyes on the prize.
