What would life be like without music? I was brought up in a household that always had music playing on the radio, records playing, mom playing the piano, and later in life on T.V. with channels into the hundreds. I really enjoy music, and I don't know what I would do if I couldn't either listen to or play something each day. The only way I can describe the feeling of music in my life is that it completes my soul.

The Lectionary this week led me to Ephesians 5:15-20 where it makes the point to "Live by the Holy Spirit, singing psalms and hymns and spiritual songs among yourselves, singing and making melody to the Lord in your hearts, giving thanks to God the Father at all times and for everything in the name of our Lord Jesus Christ."

So it is that the scriptures continually encourage us to worship by "Making a joyful noise unto the Lord, all the Earth. Worship the Lord with gladness; come into His presence singing" (Ps. 100).

We are blessed to have Anna joining us as Music Director and look forward to the music we will share together praising God for our blessings.

Peace,

Pastor Scott

Creation Kids Club is back in session this Sunday right after Worship. We have purchased some new curriculum that will allow us to DIG into the Heart of God. There are many activities to go with each lesson and we will be taking a deep dive into each of the stories that we study.

Kids aged 4-5th grade are invited to attend. Children should get a snack from the coffee fellowship and then head into the room located down the left hallway on the right. We look forward to learning together!
