

Harbor View Presbyterian Church Weekly Newsletter

Dear church family,

This Sunday we will be looking at our spiritual gifts: what they are, how to identify your own, and how to use them. Each one of us has been blessed with spiritual abilities that God has given us to use for good in the world and in the church. I hope you'll come and explore this topic with me on Sunday!

Thank you to everyone who turned in your self studies! We've gotten a lot more now, and we are starting to analyze the information so we can move forward in the process of calling a pastor. Our next step will be to form a pastor nominating committee (PNC) that will create a profile of our church to post on the presbyterian church leadership connection. That is a huge database where pastors can find openings for ministry positions. The PNC will also be able to view the profiles of pastors seeking a call, and can look for those that match our needs. If you feel called by God to be involved in the search, make sure you indicated that on your self study or let me know so I can inform the regular nominating committee.

Letters have gone out this week to those who have not yet made their 2025 pledge. If you get a letter, but you thought you had already pledged, please call Margie at the church office and let her know. Thank you for all the pledges received so far! Your generosity is such a caring gift to the church family.

At the end of January, we will have a congregational meeting to receive the budget. Please plan to attend on January 26 to hear about all our ministries and what we are looking forward to in 2025!

As always, if you need prayer, a listening ear, or a conversation, I'm available! I love hearing from you and getting together one on one. Scott feels the same way.

In Christ,

Rev. Tricia

The Scouts will have their annual BBQ fundraiser on February 9th. Single dinners will be \$15, and family platters \$80. They will camp overnight the Saturday before and prepare the food. They usually clean the walking trail and other projects we can find. They will take part in the worship service presenting the flags.

Technically, We Need Help!

Isn't it nice to have slides and sound and live broadcasts of our Sunday services? These are only possible due to our dedicated tech team! We need a few more volunteers to learn the system and run it from time to time. If you enjoy technology and want to serve in this way, please talk to a tech team member after church on Sunday. Your help will be greatly appreciated!

ECEP is hiring full time and part time child care workers. For more information, please email Janice Blum at hvpcblum@comcast.net.
