

Harbor View Presbyterian Church Weekly Newsletter

Dear church family,

It was wonderful to start the new year with you last Sunday and distribute star words with the help of our children. There are more on the table in the narthex if you were not able to get one last week. If you are wondering about your word, try looking it up in the Bible and see where it shows up in scripture. Make a little study on it, and let me know how it manifests in your life. These stories we share are so important for our spiritual growth!

Thanks to the eight additional people who completed self studies this week. To the rest of you, I can't emphasize enough how much we need to have your responses. Maybe you think you don't matter, or your voice is not important, or other people can speak for you, but all of that is false. Please complete your form, as much of it as possible, and return it to the office by THIS Sunday. (Don't make me hunt you down!)

Thank you to everyone who returned a 2025 pledge! This is so helpful for our future planning! If you haven't pledged before, it's not too late. You'll be getting a letter this week asking if you would please make a pledge. Remaining 2025 pledges can be submitted any time this month, but ideally before January 24.

There will be a congregational meeting on the last Sunday in January to receive the budget, have a recap of 2024, and share the expectations for 2025. This will be a big year for Harbor View, so you'll want to be there for the details of the plan. In all things, we want to center on Jesus. Your prayers and your presence matter and are deeply appreciated. There is so much to be thankful for and to anticipate joyfully.

If you have any concerns or struggles that you want to talk about, Scott and I are only a phone call, text, or email away. Please reach out! We are both here for you.

In Christ,

Technically, We Need Help!

Isn't it nice to have slides and sound and live broadcasts of our Sunday services? These are only possible due to our dedicated tech team! We need a few more volunteers to learn the system and run it from time to time. If you enjoy technology and want to serve in this way, please talk to a tech team member after church on Sunday. Your help will be greatly appreciated!

ECEP is hiring full time and part time child care workers. For more information, please email Janice Blum at hvpccblum@comcast.net.

Please pick up your 2025 pledge envelopes in the narthex.
