

## *Harbor View Presbyterian Church Weekly Newsletter*

---

Dear church family,

It is a busy and wonderful time of year as we celebrate graduations and the end of the school year for our students. Vacation time starts and we know that people will be coming and going over the next couple of months. It's a time to really appreciate all the gifts of God's creation as we travel and see other places. If you're like me, your uneven schedule can make your God-time go into flux, too, so I hope we can continue to prioritize our prayer space and our connection with God even when our schedules get haywire. I'll be working on this right along with you! We have two Sundays in a row that should help with that.

First, this Sunday we see right into the heart of Jesus and look at his second most famous prayer in scripture. This is a very special one because it is the prayer Jesus prays for us, the deepest desire of his heart for us. And the following Sunday is everyone's favorite: Pentecost! We won't have a newsletter next week so remember to wear red on June 8! Pentecost celebrates the Holy Spirit and reminds us that God's power can't be contained. If you crave more of God's power in your life, you won't want to miss it. And if you're away on vacation you can always catch us online.

Don't forget about the other exciting activities at Harbor View! This Saturday is Slide Into Summer and we hope to see many people from our community with their kids coming to enjoy a water slide and a fire truck along with food and games for all. Stop by and mingle even if you don't have kids! Get to know some of our neighbors and ask them about their faith. Invite them to worship with us. A personal invitation has more impact than a thousand post cards!

The upcoming mission trip is another way to see God working. We still have several more slots open. If you've never taken a mission trip, I highly recommend you go! You will have experiences on the trip that you will never forget, and you'll be helping people you don't even know in profoundly important ways. It can be a life changing trip.

As always, I am here for you if you need prayer, conversation, a listening ear, or a shoulder to cry on. Just call or text!

In Christ,

Rev. Tricia

Congratulations to **Julien Kucklick** who graduated May 15 from the School of Visual Arts with a Bachelor of Fine Arts in Illustration. He will remain in New York City where he'll work as a studio assistant for an artist and continue to freelance his own work. Below is a piece of artwork by Jules - a self portrait as a graduate.

Congratulations to **Chelsea Kay Hays** who graduated from James Island Charter High School this past Saturday. There, she had been a member of the High School Softball team since the 7th grade! She has fond memories of singing in the children's choir with her cousins and brother, going through Confirmation, and being with her church family. This fall she will be attending the University of South Carolina, Molinaroli School of Engineering.

**Wildflower Station** takes the audience on a journey through the 60's & 70's, playing Classic Rock with great songs from bands like The Beatles, Creedence Clearwater Revival, America, Tom Petty, Crosby Stills Nash & Young, as well as playing what was known in San Francisco as "beatnik hippie music" - music from Laurel Canyon, the great folk and rock songs from Bob Dylan, The Youngbloods, The Mama's & the Papa's...songs with layered harmonies that are so wonderful to hear. It's such great music that everyone enjoys!
